

The Coup

Participants: Ty Smith, Hannah Brown, Facebook User and Facebook User

Hannah Brown

It came from both sides

Aug 11, 2017, 10:30 PM

Hannah Brown

Yeah

Aug 11, 2017, 10:30 PM

Hannah Brown

We surrounded them

Aug 11, 2017, 10:30 PM

Other User

I saw some people get maced

Aug 11, 2017, 10:30 PM

Hannah Brown

It was no ambush

Aug 11, 2017, 10:30 PM

Other User

People are running on the stream

Aug 11, 2017, 10:30 PM

Hannah Brown

Not really

Other User

That's what it looked like.

Aug 11, 2017, 10:26 PM

Other User

Y'all get ambushed like I said you would?

Aug 11, 2017, 10:26 PM

Hannah Brown

Wouldn't tell me his charges

Aug 11, 2017, 10:25 PM

Hannah Brown

We lost an Ian Hoffman to CPD

Jul 27, 2017, 2:46 PM

Other User

So can we get our game faces on and focus on not fucking dying? Versus dudes wearing some stuff from American history x or whatever

Jul 27, 2017, 11:45 AM

Other User

But it is, and antifa will outnumber us at least 4 to 1

Other User

IE will end up with 20 or 30 guys in the hospital or stabbed if y'all try to manage the hammerskins and they feel disrespected. Same with blood and honour etc.

That isnt a threat, thats just reality man. Youre not gonna be able to manage the entire movement, and if you didn't want to deal with the entire movement, then this never should have been a "come one, come all" sort of event

Jul 27, 2017, 11:44 AM

Other User

And look, @Derrick Davis has a great point, yall gonna fight Hammers or whatever? Ive watched hammers beats a man until his skull was showing, and that was over a minor disagreement

Jul 27, 2017, 11:42 AM

Other User

So look, control your respective men in your groups, but optics control is officially gone. With this many people now knowing about it and having no central authority to create a central standard of behavior, its already gonna be a clusterfuck, just roll with it

👍 Facebook User

👍 Hannah Brown

Jul 27, 2017, 11:41 AM

Other User

We all should have known this, when it was made a public rally

Jul 27, 2017, 11:40 AM

Other User

I guarantee you, a shit ton of WN folks are gonna show up dressed not in the best optics

Jul 27, 2017, 11:39 AM

Other User

And no one has set a dress code

Jul 27, 2017, 11:39 AM

We have no idea who is showing up

Jul 27, 2017, 11:39 AM

Other User

Jason has said specifically, this is a public event

👍 Hannah Brown

Jul 27, 2017, 11:39 AM

Other User

Ok heres a major issue

Jul 27, 2017, 11:39 AM

Other User

Latest estimate suggests 4000 armed antifa

Jul 27, 2017, 9:41 AM

Other User

If things go according exactly to plan this will be the first time. Overconfidence is not a good approach. There are future timelines that are not so predictable.

Jul 26, 2017, 6:33 PM

Other User

I'm not assuming. I have a plan B and C I just don't trust you anymore enough. If people show up, in hoods, or brownshirts, they will be accomplishing nothing but getting themselves arrested or hurt.

Jul 26, 2017, 6:28 PM

Other User

Never assume the state will back you up even if they say they will.

Jul 26, 2017, 6:27 PM

Other User

Also. If the cops don't stop the hooded people (which they will) they'll be physically removed by our security.

Hannah Brown

Mass message for plain clothes sounds like the best idea. I'll see what I can do with my contact.

Jul 26, 2017, 6:25 PM

Other User

Yea cause clearly the cops stood down at the KKK rally and clearly I havnt already told the state police and governors office that if a standown order is given we wouldn't sue them and press for info with FOI requests. Dude. The reason they have me do these things is because I am smart. Some dumbass hood wearing boomers aren't going to outsmart me and neither are some degenerate antifa.

Jul 26, 2017, 6:24 PM

Other User

If the cops do anything it'll be the first time a mayor hasn't told them to stand down

Jul 26, 2017, 6:22 PM

Ty Smith

We know its not illegal, but its not welcome.

Jul 26, 2017, 6:21 PM

Other User

I don't have to tell you anything else at this point. Other than that if they show up at our rally in robes they will be arrested.

Jul 26, 2017, 6:21 PM

Ty Smith

Dude... we understand this.

Jul 26, 2017, 6:21 PM

Other User

What would they be arrested for?

Jul 26, 2017, 6:21 PM

It's not illegal to wear klan robes

Jul 26, 2017, 6:20 PM

Other User

>implying they aren't already banned and I didn't already tell the police that people could show up dressed like this and that they'd have to arrest them.

Jul 26, 2017, 6:20 PM

Other User

Sounds like a really smart crowd. Show up to an event you're not invited to wearing clothes you were asked not to. I'm so surprised we aren't in a white ethnostate already with such a great group.

Jul 26, 2017, 6:19 PM

Ty Smith

Lets try it anyways... if they arent low IQ retards, they will try to work with us, not spite us.

Jul 26, 2017, 6:19 PM

Other User

That might work

Jul 26, 2017, 6:19 PM

Other User

Ban costume uniforms like klan robes, brownshirts, and ss uniforms.

Jul 26, 2017, 6:19 PM

Other User

Then they'll be arrested. Not a huge deal.

Jul 26, 2017, 6:18 PM

Other User

If you do they will out of spite.

Other User

Or should we just put out s statement asking them to please not come hurt us because we won't wear cool sheets with them?

Jul 26, 2017, 6:18 PM

Ty Smith

Lets try to find out. Hannah said that they have been posting that they will show, lets start there. Put the word out that this is a plain-clothes event. White polos to represent white solidarity.

Jul 26, 2017, 6:18 PM

Other User

Well it sounds like they're really high quality people with intellect and money. Have you tried reaching out to local universities?

Jul 26, 2017, 6:17 PM

Hannah Brown

I have someone I can inquire with. I'd say for sure the ECK.

Jul 26, 2017, 6:17 PM

Other User

I know one or two but I don't know which four want to show

Jul 26, 2017, 6:16 PM

Other User

I've been trying to resolve this issue while he cries like a child.

I'm prepared for them and if they show up they're being physically removed.

Jul 26, 2017, 6:16 PM

Jul 26, 2017, 6:16 PM

Other User

I'm trying to tell you what will happen and how to prepare. If you aren't going to listen that's your prerogative, but don't act surprised when you aren't prepared for them.

Jul 26, 2017, 6:16 PM

Other User

Btw. I you still never answered the three questions I gave you lol.

Jul 26, 2017, 6:15 PM

Ty Smith

Instead of arguing, try to be white and resolve the issue.

@Derrick Davis, do you have any Klan contacts? @Hannah?

Jul 26, 2017, 6:15 PM

Other User

Sweet bro. It was an example. I get that you've demonstrated today that you aren't able to think in abstracts but you should try it.

Jul 26, 2017, 6:14 PM

Other User

I control sn anticom chapter dude

**Other User**

@Matthew-John Heimbach any word on that? Or is your commander just going off the rails like an idiot?

Jul 26, 2017, 6:13 PM

Other User

I wonder if we had an IE event and invited some group to the left like anticom if TWP would threaten violence if they didn't come? Hmm makes me think.

Jul 26, 2017, 6:12 PM

Other User

You really are trying to get me to not want to associate with you guys too huh? I mean that's fine if you wanna throw away a perfectly good relationship over some klansmens feelings. If they show up to do violence they will lose. They are weak, dumb and old and the police will be removing anyone I say they say.

Jul 26, 2017, 6:11 PM

Ty Smith

I welcome them with open arms... in plain clothes.

Jul 26, 2017, 6:11 PM

Jul 26, 2017, 6:09 PM

Other User

So if we don't invite them and make them feel good then they will come do violence towards us?
Sounds exactly like the type of people I want to work with lol.

Jul 26, 2017, 6:09 PM

Other User

You don't get. They will come. They will fight you if you try and kick them out. Are you willing to violently attack them?

Jul 26, 2017, 6:09 PM

Ty Smith

We arent doing this infighting bullshit.

Other User

No, but they are.

Jul 26, 2017, 6:08 PM

Ty Smith

Yeah nah... brownshirts and klan robes can fuck off. Hearts and minds Derrick, are trying to change hearts and minds. If the klan was ever successful, I wouldnt be able to tell. If they had done their job, there would be no need for us. Its not about class, the alright is the new right. Out with the old, ineffective tactics.. their time has passed.

Jul 26, 2017, 6:08 PM

Other User

You willing to fight over a handful of klansman's feelings?

Jul 26, 2017, 6:08 PM

Other User

And they sound like great allies by the way.

Jul 26, 2017, 6:08 PM

Other User

You willing to back that up with violence?

Jul 26, 2017, 6:07 PM

Other User

If they show up with brownshirts they aren't coming in.

Jul 26, 2017, 6:07 PM

Other User

If they show up with hoods they aren't coming in.

Jul 26, 2017, 6:07 PM

Uh no. So the Daily progress doesn't plaster your face next to a hooded klansmen all over the internet.

Jul 26, 2017, 6:06 PM

Other User

Why so their feelings aren't hurt? They sound like weak faggots to me.

Jul 26, 2017, 6:05 PM

Other User

Then call them up and tell them that they aren't stupid.

Jul 26, 2017, 6:04 PM

Other User

Thinking that by not wanting this is somehow me wanting them to go die is pure retardation of the highest caliber.

Jul 26, 2017, 6:02 PM

Other User

It's not warfare to not want someone to come to a rally dressed like a retard.

Jul 26, 2017, 6:01 PM

Other User

the sound of useless class warfare rages somewhere in the distance

Jul 26, 2017, 6:01 PM

Other User

You know what. I'll be incredibly frank with you. Ive been asked before why I work with TWP. My answer was that you guys cater to a different crowd, you're organized, that I think Matt is a smart guy that plays ball, and finally it's always good to have people to your right who aren't crazy nut jobs. Those are actually pragmatic reasons and that's how I answer this question when given to me about you guys. Overall whatever negatives there are associated with working with TWP are outweighed by those positives. When it comes to the klan they don't have all those things and they don't have people I even want to work with. They give us nothing and we owe them nothing and they only hurt themselves by being like this.

I can answer this question about you guys but you can't answer it about them outside of giving me

me then I applaud them and see it as what I was working towards the whole time. I go into my gas chamber with a smile on my face.

The fact that these people need "rules" given to them shows they are worthless troglodytes that have no business being there other than to cause trouble and stroke their own ego.

Jul 26, 2017, 5:58 PM

Other User

We're trying to build the foundations for a revolutionary movement for our people not some happy go lucky association of clubs who get along.

Jul 26, 2017, 5:58 PM

Other User

That's why we need to reach out to them in advance and give them rulesm

Jul 26, 2017, 5:51 PM

Other User

How is them coming to this event in hoods serving their community's

Jul 26, 2017, 5:50 PM

Other User

I just did. They serve one of our communities. Unless of course poor country farmers aren't worth representing.

Jul 26, 2017, 5:50 PM

Other User

Stop being gay. Answer with logic or reason or pragmatism.

Jul 26, 2017, 5:49 PM

Other User

"Deserve" another feeling

Jul 26, 2017, 5:48 PM

Other User

up: why are you not in the klan?

Jul 26, 2017, 5:48 PM

Other User

Because they serve the Deep Rural South just like you serve upper middle class SWPL frat boys

Jul 26, 2017, 5:48 PM

Other User

Give me one good logical or pragmatic reason.

Jul 26, 2017, 5:47 PM

Other User

It's gay as fuck

Jul 26, 2017, 5:47 PM

Other User

You gave me a feelings answer

Jul 26, 2017, 5:47 PM

Other User

No fuck that. That's dumb

Jul 26, 2017, 5:47 PM

Other User

Also answer my question. Why aren't you in the klan

Jul 26, 2017, 5:47 PM

Other User

Because they are our folk whether or not it triggers SWPL sentimentalities.

Jul 26, 2017, 5:47 PM

If they come to our rally what do they gain and what are we depriving of them if we tell them not to show up or don't dress in hoods?

Jul 26, 2017, 5:47 PM

Other User

Cool and what the FUCK does that have to do with coming to this rally?

Jul 26, 2017, 5:46 PM

Other User

It's a good strategy in middle of nowhere Alabama I can tell you that.

Jul 26, 2017, 5:46 PM

Other User

Why aren't you in the klan then huh?

Jul 26, 2017, 5:45 PM

Other User

Obviously some of the younger ones probably call themselves alt right as well but they joined the damned klan as if that's a good strategy to win.

Jul 26, 2017, 5:45 PM

Other User

Holy fuck dude. Cool. So there is some overlap. Nice. awesome. Good luck to them. But showing up in retarded hoods or Brownshirts is nihilistic retardation.

Jul 26, 2017, 5:44 PM

Other User

You don't realize their are Alt-Right Klaverns do you?

Jul 26, 2017, 5:43 PM

Other User

accomplishing anything with the klan I already have doubts about. I don't care if they had double the numbers of the entire alt right they're growth is down and ours is on the up. They need to play ball and stop being selfish. I don't even know what they think they gain from coming to the event. They sound like damned children to me.

Jul 26, 2017, 5:42 PM

Other User

There are 130 klaverns recorded by the SPLC. throw in 20 or so they don't know of and that gives 150 roughly. Now each klavern could have from 10-50 members so lets say 30 as an estimate. $150 \times 30 = 4,500$ conservatively. Now applying the invisible empire calculation we can add another 50 klaverns that act in secret as they're supposed to. That gives 6,000 conservatively. How many members are in IE?

Jul 26, 2017, 5:40 PM

Other User

I've had these argument so many times and I'm really not going to budge. The fact of the matter is that old people and old groups should let the youth do their thing without being greedy egotists and try to muck it up. They can keep and should keep doing what they do and appeal to a crowd that havnt caught up to where the current movement is aiming. They should try to keep themselves distinct in their own way from us for both of our sake. If they think their ego is more important than the future then they really are as dumb as people say they are and they're just larpers who don't believe in a god damned thing other than being edgy. If that's the case then fuck them and they should be put up against the damned wall as traitors. They can come in plain clothes but mark my words they aren't gonna listen, they are gonna do stupid shit and they are gonna cause fights. They'll have successfully derailed us so they can get their warm and fuzzy.

Jul 26, 2017, 5:38 PM

Other User

Well it clearly doesn't teach us that everything they did was bad or everything they did was good. These klansman and people from older things give us nothing. They do nothing for us. Another warm body is not what we need. We aren't savage orc hordes. We need quality. I do underestimate them and rightfully so. What they and their movement does is old and outdated. More WNs were made in two years with our tactics than two decades by the klan.

I don't disagree with that at all which is why I think they should keep doing what they are doing. Coming to our stuff to muck it up does nothing but hurt both of us.

Jul 26, 2017, 5:33 PM

Other User

A Southern Farm boy from Alabama will never be a part of Identity Evropa

Jul 26, 2017, 5:33 PM

Like it or not they appeal to whites you cannot reach

Jul 26, 2017, 5:32 PM

Other User

The klan is full of young recruits just as you are. I would not underestimate something so few understand.

Jul 26, 2017, 5:31 PM

Other User

Certainly they did, and most pagan faiths are dead. What does that teach us?

Jul 26, 2017, 5:29 PM

Other User

Yea and that one is dumb. Pagan sons killed their fathers and siezed power all the time when the old became too weak or dimwhitted to lead. We aren't killing off our elders we just don't want them to come fuck up our work.

Jul 26, 2017, 5:27 PM

Other User

The GCK Klavern is all under 30.

Jul 26, 2017, 5:27 PM

Other User

I am an Asatru pagan but many different religions have lessons to teach

Jul 26, 2017, 5:26 PM

Other User

No they don't. That's a total joke. And even if they did I'd take 1 youth over 10 old dumb fucks.

Jul 26, 2017, 5:26 PM

Other User

Forgotten*

**Other User**

I'm not a Christian and I am always willing to listen to the elders advice but at some point the son must replace the father. I want our children to be strong enough to reject us. The objective here is to push the next generations so far right that they gas us as tainted degenerates. That's how we secure their future and that's how the old people secure ours.

Jul 26, 2017, 5:26 PM

Other User

Let it not be forget that at this moment. The Klan outnumber you.

Jul 26, 2017, 5:25 PM

Other User

1 Peter 5:5

"You younger men, likewise, be subject to your elders; and all of you, clothe yourselves with humility toward one another, for God is opposed to the proud, but gives grace to the humble."

Us young men are not special, if you reject your elders you too are destined to be rejected by your children and you lose all you fought for.

Jul 26, 2017, 5:23 PM

Other User

The future of our movement is the youth and holding onto the previous stuff for the sake of feelings is against the ideas of ruthless victory and against the 14 words. The only thing it accomplishes is making some people feel good and I just don't care about feelings.

Jul 26, 2017, 5:20 PM

Other User

If the Nazi party was still around I would say the same thing. You aren't going to get me to add emotions into a logical pragmatic choice. I'm a soldier and it doesn't work.

Jul 26, 2017, 5:16 PM

Other User

All I'm saying is the Invisible Empire is much larger than it's given credit for.

Jul 26, 2017, 5:16 PM

So quickly do we forget what once was

Jul 26, 2017, 5:14 PM

Other User

I appreciate the work they did. Now it's time to let the youth take over and do it our way. If they have any respect for the work they did and their peoples future they would understand and one day I hope an even better young person tells me the same thing.

Jul 26, 2017, 5:13 PM

Other User

Fuck their feelings and some abstract duty. I don't care. The 14 words says nothing about stroking the balls of old men.

I dont care if they come and blend in but I know they won't. They'll wear their brow shirts, hoods and pick fights.

Jul 26, 2017, 5:12 PM

Hannah Brown

So, is saying they're not welcome
Even as 'normies'?

Jul 26, 2017, 5:11 PM

Other User

You cannot speak of honoring your people and then throwing the old guard under the bus. They held the line when few would. The Dark Ages of White Nationalism had very little to do with optics. It was all CIA black ops.

Jul 26, 2017, 5:11 PM

Other User

I don't care if they don't intend to hurt us. Someone needs to make it clear to them that they are.

Jul 26, 2017, 5:10 PM

Hannah Brown

If that was the intent we should of had a private event.

**Other User**

Yea that sounds exactly like the type of people that have lost this movement so much time. Fuck then and their egos and I'm not afraid of them in anyway. If they try to fuck with us I'd burry them.

Jul 26, 2017, 5:09 PM

Hannah Brown

I don't think they're trying to hurt anyone by coming or discredit the movement. It would be one thing if it was out of malice. Unite the right as a key phrase has been driven in and no one ever advertised it as just an alt right Rally.

Jul 26, 2017, 5:09 PM

Other User

The diplomatic approach is that I would say exactly this to them. The young generation has this and they should let us do things our way because we're winning. Their time has come and gone and throwing a wrench in our stuff is childish.

Jul 26, 2017, 5:08 PM

Other User

They will fuck you up just out of spite.

Jul 26, 2017, 5:08 PM

Other User

Respect your elders and they will do good by you. Reject them and hell hath no fury like a pissed off nazi.

Jul 26, 2017, 5:07 PM

Hannah Brown

Well, they're still white. Makes most since to take some sort of diplomatic approach. Maybe matt can help us out here.

Jul 26, 2017, 5:07 PM

Other User

If they come in brownshirts or they sheets or whatever they are hurting white peoples future chances of winning. They should be ashamed of themselves if they do that.

**Other User**

Sweet. The key thing being past tense. Let go. Let it go. Not to mention they aren't even able to field that many people anyway. We don't need a handful of bruised at the expense of the entire movement's future, their feelings and all for a handful of people. I don't care and don't have time for groups to "get better" they should step aside and let the new youth take the wheel.

Jul 26, 2017, 5:06 PM

Hannah Brown

They were heavily advertising on it. We had agreed that the best option was to reach out and ask them to come as normal people. Hell even the commies know they're coming. If there aren't any robes I could care less.

Jul 26, 2017, 5:05 PM

Other User

It's working but older groups take time to adjust, NSM is getting better every day.

Jul 26, 2017, 5:05 PM

Hannah Brown

It's quite possible they think they can come because it's a public event and we have been advertising all over the place. I told Jason this 6 or more weeks ago that the Klan had retweeted on my flier.

Jul 26, 2017, 5:04 PM

Other User

They just need a lesson in proper organizing and branding a little bit.

Jul 26, 2017, 5:04 PM

Other User

You forget the Klan was the largest right wing movement in the US once. So was the ANP. They held the line when the commies were far more powerful. If I'm getting Frozen Cokes slingshot at me I'm picking them over optics tbh.

Say what you will about their optics. But when you need bruised they're great for it.

Jul 26, 2017, 5:03 PM

Well idk why they think they can come anyway. They weren't invited.

Jul 26, 2017, 5:00 PM

Other User

Well I don't have that authority. Ask @Matthew-John Heimbach to do it. He probably has a better answer on the subject than I do anyway.

Jul 26, 2017, 4:59 PM

Other User

The idea that anyone who cares at all about how we present or ideas is a cuck like Gavin is laughable

Jul 26, 2017, 4:59 PM

Other User

My plan for it is to tell you to tell them not to come uninvited. If they come that's fine but they aren't coming to the after party. And if they do they'll be physically removed.

Jul 26, 2017, 4:58 PM

Other User

Oh fuck off saying I'm like Gavin lolol

Jul 26, 2017, 4:58 PM

Other User

If I wasn't right then you'd be in the klan supporting them, or wearing a Brownshirt or be a skinhead or sporting a swastika flag.

Jul 26, 2017, 4:58 PM

Other User

You need to plan for it

Jul 26, 2017, 4:58 PM

Other User

be like Gavin and Pablo, above, but they will come regardless.

Jul 26, 2017, 4:57 PM

Other User

And I don't care if you call me a cuck or whatever. I'm a pragmatist that only cares about winning. No ones feelings matter. And a few extra heads aren't enough to fuck shit up with unhinged idiots.

Jul 26, 2017, 4:57 PM

Other User

I don't care if they think it's cool. That is old shit and has failed. No one on watching on the internet from their house outside of 1-2% will think that's cool.

I understand you guys deal with them but then showing up. Uninvited. Using astetics that are failures. Only hurts the they claim they wanna help. If i was in one of these groups I'd say the same exact thing.

Jul 26, 2017, 4:55 PM

Other User

You got to give them some rules.

Jul 26, 2017, 4:53 PM

Other User

Now we (TWP) deal with these people all the time, they're fine as long as you intercept them before they show up. If you try to kick them out you look like a faggot and they will fight you physically.

Jul 26, 2017, 4:53 PM

Other User

If you lived out in the middle of nowhere you might have a different opinion. In the deep rural south where there isn't a walmart in 50 miles the Klan is cool.

Jul 26, 2017, 4:51 PM

Other User

We have to be cool. We have to look cool. We have to be modern for different people. Going back and taking all the same moves as previous movements is foolish.

Jul 26, 2017, 4:49 PM

Like what does wearing a Brownshirt and coming as a ridiculous looking skinhead accomplish? That's been tried. It doesn't work. We've been doing just fine without that shit and it's part of why we've been winning. Having people like that just fucks things up. If they actually cared about winning instead of their ego they'd not come.

The "they'll always call you kkk/Nazi" thing is bullshit that I don't buy into. If you take that to the logical conclusion then we should all be goosestepping in DC with arm bands right now.

Jul 26, 2017, 4:48 PM

Other User

I told Jason they'd come but he didn't believe me. I don't give a fuck about how it looks since they'll call us the klan anyway, more the merrier I say. But you know someone is showing up in a bedsheet and that's just dumb so someone is going to have to reach out to these klavern like I said to Jason in the beginning and get them to not wear their dumb costumes.

Jul 26, 2017, 4:47 PM

Other User

That was aimed towards the alt lite and I never liked that message at all. If these people want to help coming and making the entire thing look like a circus isn't how to do it.

Jul 26, 2017, 4:44 PM

Other User

They assume we actually mean 'Unite the Right' and aren't just bullshiting

Jul 26, 2017, 4:43 PM

Other User

Why are they coming?

Jul 26, 2017, 4:41 PM

Other User

So the groups Jason with flip shit about has grown. We can now confirm at least 1 ANP member in full brownshirt along the 4 klan klaverns, with various skinhead groups.

When my main vetter (Ty) first met him he had misgivings.

Jul 7, 2017, 2:45 PM

Other User

Or the right wing in general

Jul 7, 2017, 2:40 PM

Other User

He's basically still an individualist libertarian type trying to pretend he can play ball with fashy goys who have more skin in the game and more experience. He is hiding his motivations and his benefactor and is doing most of this for himself rather than our people.

Jul 7, 2017, 2:39 PM

Other User

He was surprised I even brought it up or how I knew. I told him to just assume I know everything. He doesn't seem to get how the alt right mafia works or that I'm a background enforcer. Even before you guys brought it up I knew this was happening. It'll be alright though. After this event we won't have to involve him anymore. Tonight I'll be releasing the VIP intel and operational report and 24 hours after the general attendees report.

Jul 7, 2017, 2:38 PM

Hannah Brown

Yeah- he announced to us that everyone unanimously agreed he shouldn't go. Thanks for that. Lol

Jul 7, 2017, 2:35 PM

Other User

And I've also subdued him for now. Until the next flair up. But Heimbach and I are 100% on the same page as is everyone else in the alt right.

Hold on. On the phone with Heimbach.

Jul 7, 2017, 1:02 PM

Other User

Oh if you want to know what the antifa thing was about. One of Jasons informants in the antifa claims that there was a big DC meeting where possible rally bombings were considered. I'm forwarding that to my guy with FBI contacts even if Jason wants to keep it secret.

If someone could get his phone contact list that's the value he has at this point.

Jul 7, 2017, 12:54 PM

Other User

Like I have a guild but you gotta do whatever labor people have sorry brah

Jul 7, 2017, 12:52 PM

What's really funny is he called me asking for a job in the alt right last week. Like nigga, I already have to scrape together shekels and connections to work for Spencer and IE. What makes you think I can just get you in?

Jul 7, 2017, 12:51 PM

Hannah Brown

I've been telling myself over and over I would not disavow him until after the event but some shit is getting borderline unbearable.

Jul 7, 2017, 12:50 PM

Other User

That's what I've done for weeks.

Jul 7, 2017, 12:50 PM

Other User

Best bet is to shadow ban him. He needs to think he's still in charge, but do everything around him.

Jul 7, 2017, 12:49 PM

Other User

Yea it's one thing to do it like you guys do. It's entirely another thing for him to wander up to them.

👍 Hannah Brown

Jul 7, 2017, 12:47 PM

We TWP may do business with the Klan. But we know how to play with fire. Jason doesn't.

Jul 7, 2017, 12:47 PM

Other User

Truth be told we were going to pull out of the event like 2-3 weeks ago because of his bullshit.

Jul 7, 2017, 12:47 PM

Hannah Brown

Other User

I've told him that.

Jul 7, 2017, 12:46 PM

Other User

Yea Norah has told me and I've been trying to tell him not to go.

Jul 7, 2017, 12:46 PM

Hannah Brown

He doesn't understand he can't go as a journalist.

Jul 7, 2017, 12:46 PM

Hannah Brown

I've been pleading with him for weeks not to go.

Jul 7, 2017, 12:46 PM

Hannah Brown

Yep. I literally joined IE bc I am legitimately dedicated and couldn't except that my main involvement was only through him. He is NOT my leader or a leader at all. Tomorrow should be interesting.

Jul 7, 2017, 12:45 PM

Other User

That's fucking retarded. We don't have a permit to burn shit. We don't want to look like antifa. It has nothing to do with those statues or uniting the right.

Jul 7, 2017, 12:44 PM

Hannah Brown

I said bad idea on that from the beginning too.

Jul 7, 2017, 12:44 PM

We also aren't burning flags.

Jul 7, 2017, 12:44 PM

Other User

I truly believe he has a wealthy benefactor that is motivating all of this. I want to know who it is.

Jul 7, 2017, 12:43 PM

Other User

He even brought up some gay flag scheme at the last pool party.

Jul 7, 2017, 12:43 PM

Other User

Yea Norah and I were saying the same thing.

Jul 7, 2017, 12:43 PM

Hannah Brown

I told Erica last night Charlottesville is largely in the position we are bc of the poor handling of all things related to this stuff.

Jul 7, 2017, 12:43 PM

Other User

He has ulterior motives. He wants a personal brand. He wants to bring national attention to cville and the statues. He wants to serve his own desires. Meanwhile, we just want controlled growth and to do an event with and for the alt right. Our goals are just different.

Also, he couldn't even manage his job which was to keep the alt lite in who basically aren't coming.

Jul 7, 2017, 12:42 PM

Hannah Brown

He has no regard for anything but getting jason where jason wants to be. The end. He doesn't even give those things any actual thought process or planning.

Jul 7, 2017, 12:42 PM

The man actively wants violence.

Jul 7, 2017, 12:41 PM

Other User

We aren't putting people at risk and their women more than we have to. Walking down some street where he gets bullied by bars as his own personal army is not what's going on.

Jul 7, 2017, 12:41 PM

Other User

Nah once you involve the second tier command of the main orgs it's no longer yours. It's ours.

Jul 7, 2017, 12:40 PM

Other User

I told him that I'd get the entire alt right to pull out if he pulls that shit. He also went on tell me we should bring in more people to "vote" on if we should walk downtown in cville. I told him this is not a democracy and I was saying no and that was the end of it.

Jul 7, 2017, 12:40 PM

Other User

The Virginiaryans pool party (me) already has set up a Cville chapter if his Anitcom group falls appart

Jul 7, 2017, 12:39 PM

Other User

He pulled the "it's my event. We do what I want" card last night. And I freaked the fuck out.

Jul 7, 2017, 12:39 PM

Other User

Somehow

Jul 7, 2017, 12:38 PM

Other User

And hen proceeded to argue with me for an hour trying to convince me that we had to do it.

Other User

He's a fine follower, terrible leader. He thinks I'm his subordinate.

Jul 7, 2017, 12:38 PM

Other User

I basically got word that antifa could be planning to use bombs. His reaction was basically "great! Let's walk down the downtown mall area!"

Jul 7, 2017, 12:38 PM

Other User

Oh I do too and trust me I get it. He's a moron and we're never working with him again.

Jul 7, 2017, 12:37 PM

Hannah Brown

Yeah it's just coming to its breaking point. We deal with him everyday all day.

Jul 7, 2017, 12:37 PM

Other User

It came to me. I have antifa spies all over the place.

Jul 7, 2017, 12:37 PM

Other User

He's been a loose cannon.

Jul 7, 2017, 12:36 PM

Hannah Brown

Or Jason to you:

Jul 7, 2017, 12:36 PM

Hannah Brown

Did that intel come from you

Hannah Brown

I had talked to Erica some last night. He's just getting to be a total loose cannon.

Jul 7, 2017, 12:36 PM

Other User

Wait wait wait. We don't gotta do shit. Just let him be an idiot right now. I'm about to talk to Heimbach in a moment about Kessler. I would like to have a chat about him and some intel I learned about antifa last night. I was screaming at him for about an hour cause he wasn't listening.
